

Charles Bukowski – Você

you are a beast, she said
your enormous white belly
and your hairy feet.
you never trim your nails
and you have fat hands
like a cat's paws
your red and shiny nose
and the biggest lips that
I've ever seen.

you ejaculate like
a whale spouts water from
its blowhole.

beast, beast, beast,
she kissed me,
what do you want for your
morning coffee?
